## **Livingston & Haven and Mitsubishi Electric Automation Inc. Sign Distribution Agreement**

Charlotte, NC – June 6, 2007 – Livingston & Haven, a leading industrial technology provider in the Southeast, and Mitsubishi Electric Automation Inc, a leader in automation solutions, have expanded their long term relationship with a new distribution agreement. In addition to the current Mitsubishi Electric Automation product line represented by Livingston & Haven, the company will also sell and support Mitsubishi Electric's full line of articulated and SCARA robotic products.

Livingston & Haven has represented a majority of Mitsubishi's products for the last 25 years. Due to the company's continued focus on saving U.S. manufacturing and advancing technology, Mitsubishi Electric Automation's robotic line will serve as a valuable tool for providing complete productivity solutions to Livingston & Haven's customers.

"We are very pleased to be selected to work with Mitsubishi Electric Automation to increase the presence of robotics in the U.S. marketplace," stated Bill Pettus, Livingston & Haven Marketing Director. "The Mitsubishi Electric product line-up has been a market leader in Asia for some time now because of their key differentiators in technical capabilities, programming, control and quality. As a 25 year partner with Mitsubishi, we look forward to integrating these products in with the other market leading technologies."
